The YWCA Knoxville is part of the oldest and largest women's membership organization worldwide, with more than 25 million members. Serving women and families in East Tennessee since 1899, the YWCA Knoxville's mission is to eliminate racism and empower women. Each day we get closer to our goal.

Peace, justice, freedom and dignity for all

Your membership supports our programs:

Women's Housing Program— One membership can provide transportation for all of our 58 residents for two days.

Victim Advocacy Program— One membership can pay for one domestic violence support group for women and children.

Youth Programming- One membership can provide Y-Teens dues for three low-income girls or a hot snack for every child in After-School Enrichment.

Senior Network— One membership can allow isolated senior citizens to go on a special fellowship outing.

It's not always what you receive, but what you can give.
